Requirements for admission to Rogers State University are subject to change without prior notice.

To request an Application for Admission, contact the Office of Enrollment Management by calling (918) 343-7546, or visit any RSU campus in Claremore (Markham Hall), Bartlesville, or Pryor. Students can also apply for admission via the RSU website at www.rsu.edu.

Non-Academic Admission Policies

Rogers State University considers the following non-academic criteria in admitting first-time, transfer, or returning students:

1. Whether applicants have been expelled, suspended, denied admission, or denied readmission by any other educational institution.
2. Whether applicants have been convicted of a felony or convicted of any lesser crime involving moral turpitude.
3. Whether the applicant's conduct has been such that, if the applicant was a student at the time of the conduct in question, the conduct would have been grounds for expulsion, suspension, dismissal, or denial of readmission at Rogers State University.

Academic Admission Policies

Students entering any degree program must meet the admission standards set forth by the Oklahoma State Regents for Higher Education. Rogers State University has an open admission policy for two-year programs. **Due to the dual degree-granting role of Rogers State University, admission requirements may vary based on the degree level a student wishes to pursue.** The following pages outline the requirements for the Bachelor's degree, Associate in Arts, Associate in Science, and Associate in Applied Science.

First-Time Entering Freshmen Requirements

1. All first-time students must submit a high school transcript containing the most current class rank, grade-point average, and date of graduation, or a copy of their GED certificate for evaluation.
2. ACT or SAT test scores are required for all first-time entering students. Placement testing is available on campus. When applicable, other admission options

include: Adult Admission and Special Non-Degree Seeking Student.

3. Students must meet the criteria for both the high school curricular requirements and high school performance criteria as defined in the following sections. Students meeting both the high school curricular and the high school performance criteria are eligible for regular admission.

High School Curricular Requirements for Admission to Associate in Arts, Associate in Science, Associate in Applied Science, and Baccalaureate Degrees

Units (Years)

- 4 English (Grammar, Composition, Literature)
- 2 Lab Science (Biology, Chemistry, Physics, or any lab science certified by the school district; General Science with or without a lab may not be used to meet this requirement.)

*Students with deficiencies in these areas may be admitted as regular students, but will be required to take additional three-hour college-level courses in one of the subject areas listed.

15 Required Units

While these curricular requirements will normally be met by students in grades nine through twelve, advanced students who complete these courses in earlier grades will not be required to take additional courses for purposes of admission.

The English requirements should include an integrated writing component.

The 15 high school units set forth above are required for admission. Students not meeting curricular requirements will be required to prove proficiency through testing or developmental course work. In addition, the following subjects are recommended for college preparation:

Entry-Level Assessment: Basic Skills Testing and Placement

All students admitted to Rogers State University are required to participate in a variety of assessment activities.

Rogers State University provides a program of basic skills testing and several developmental courses that are designed to help students enhance their proficiency in the basic skill areas of English, mathematics, reading, and science. Students required to enroll in these courses will ultimately benefit by having stronger skills in these important academic abilities.

Participation in basic skills assessment and/or developmental coursework is required for placement purposes if a first-time freshman has the following sub-scores on the ACT:

- 1. ACT in English below 19*
- 2. ACT in math below 19*
- 3. ACT in reading below 19*
- 4. ACT in science below 19*

*These scores are reviewed annually by the Oklahoma State Regents for Higher Education and are subject to change without further notice. Contact the Office of Enrollment Management for current admission/assessment standards.

A score on the Compass or the Institutional Science Test is required to demonstrate basic skill proficiency in English, mathematics, reading, and science. If the required score is not attained, the student must enroll in the appropriate developmental courses to gain basic skills proficiency. These courses must be completed within the first 24 semester hours attempted; otherwise, future enrollments by the student will be limited to only the required zero-level courses until successful completion. A grade of “C” or higher is required to clear a developmental course requirement.

Additionally, students enrolled in developmental courses must complete ORIE 1151–The College Experience course within the first 24 semester hours attempted.

For purposes of calculating workload, one-half high school unit shall be equivalent to three semester credit hours of college work.

Following high school graduation, such a student may continue his or her enrollment at RSU or may transfer to another institution in the State System, if during the provisional enrollment period he/she achieves a college grade-point average of 2.00 or above on a 4.00 scale and meets the entrance requirements of the receiving institution, including the high school curricular requirements.

The allowable time to change an enrollment status from audit to credit or credit to audit is within the first ten class days of a regular semester and within the first five days of the summer semester. A grade of "AU" will be issued and is GPA-neutral. Financial aid will not be awarded for classes that are taken for audit. Written permission from the instructor of the class must be presented at the time of registration. Admission to the University is required and audit status is contingent upon seat availability.

Auditing for Age 65 and Older

Tuition will be waived, but fees are required, for residents of Oklahoma who are 65 years of age or older who wish to audit courses at Rogers State University. Auditing a course is contingent upon space available in the classroom or laboratory. Written permission from the instructor of the class must be presented at the time of registration.

Resident Status

All applicants are classified as resident or nonresident for purposes of admission and tuition based on information provided on the application for admission. Applicants may be required to submit evidence to substantiate their claim to resident classification. Since residence or domicile is a matter of intent, each case will be judged on its own merit by the appropriate institutional official(s) consistent with this policy. No definitive set of criteria can be established as sufficient to guarantee classification as a resident of Oklahoma.

A uniform policy concerning resident status exists for all state-supported institutions of higher education in Oklahoma. Copies of this policy are available from the Office of Enrollment Management.

To apply for Oklahoma residency or for questions concerning resident status, contact the Office of the Registrar, Rogers State University, 1701 W. Will Rogers Blvd., Claremore, OK 74017, or call (918) 343-7539.
