

**Rogers State University**  
**Emergency Medical Services Program**  
**Paramedic Admission Requirements**  
**For Fall Admission**

- ❖ Valid Oklahoma Basic or Intermediate EMT licensure. Provisional admission may be granted for students completing the Basic EMT course in Spring or Summer semesters. Basic EMT licensure must be obtained before beginning the third semester of the program.
- ❖ Students must meet all university admission requirements.
  - Academic proficiency is established through one of the following methods:
    - Achieve a score of 19 in each ACT sub-test (Math, Science, English, and Reading).
    - Pass the secondary test (ACT COMPASS and Stanford Test of Academic Skills in Science).
    - Pass a developmental course with a minimum of 70% or higher.
  - Students must demonstrate computer proficiency. See University Bulletin.
- ❖ Submit an application for admission to Emergency Medical Services Program.
- ❖ **The application deadline is April 1 for the Paramedic Program.**
