*HLSC 1233- Medical Terminology is not required on the degree plan but is highly recommended.

Many scholarship and loan programs require a minimum of 12 credit hours per semester or full time student status.

BIOL 1144 and BIOL 2215 may be taken concurrently with an ACT science subscore of 21 and Department Head approval.

NURS 1191 Dosage Calculation may not be taken earlier than 2 years preceding entry into NURS 1117 Foundations of Nursing.

Dosage Calculation, Nutrition, The College Experience, and Pharmacology must be taken at RSU.

Nursing Program applications must be received by March 1 for admission. Revised 12/9/08
