

## RSU ORGANIZED RESEARCH GRANT REPORT

Research grants funded through the RSU Organized Research Grants process must provide a report summarizing all grant activities. Please submit **3 hard copies** of this report summarizing your grant activities and any findings and/or conclusions to the Center for Teaching and Learning. ***PLEASE SUBMIT ONE REPORT FOR EACH GRANT.***

The report should include an overview of the original proposal and as appropriate, description of any purchased materials, hardware or software and how those items were used for the grant and what outcomes were achieved. If travel funds were requested, provide a summary of how funds were utilized and what outcomes were achieved. For course development projects, provide a status of the development and results from student feedback.

The report should be no more than three pages in length. Investigators failing to provide final reports will be ineligible to receive further funding from the RSU Organized Research Grants Program until an acceptable report have been received.
