The Oklahoma State Regents for Higher Education, in compliance with Titles VI and VII of the Civil Rights Act of 1964, Executive Order 11236 as amended, Title IX of the Education Amendments of 1972, Americans with Disabilities Act of 1990 and other federal laws, do not discriminate on the basis of race, color, national origin, sex, age, religion, handicap or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to, admissions, employment, financial aid and educational services.

This publication, duplicated by the State Regents’ central services, is issued by the Oklahoma State Regents for Higher Education as authorized by 70 O.S. 2001, Section 3206. Copies have been prepared and distributed internally. Copies have been deposited with the Publications Clearinghouse of the Oklahoma Department of Libraries.

OKLAHOMA STATE REGENTS FOR HIGHER EDUCATION

Preliminary Enrollment Report for Oklahoma Higher Education Fall 2009

PURPOSE:

Since 1941, enrollment data have been collected and reported by the State Regents for Oklahoma higher education institutions. Beginning in 1981, the Unitized Data System (UDS) was used to collect enrollment and other data at the end of each semester and to report unduplicated official enrollments. The original enrollment survey continues to collect preliminary enrollment that can be reported near the beginning of each semester. The purpose of this report is to summarize the fall 2009 preliminary enrollments and to compare fall 2009 preliminary enrollments to the previous year.

METHODOLOGY:

Institutional staffs complete online preliminary enrollment surveys distributed at the beginning of each semester. The preliminary enrollment is defined as the number of students enrolled as of the end of the schedule adjustment period, approximately two weeks after the semester begins. The date varies among institutions and among some academic programs within an institution.

The semester full-time equivalent (FTE) enrollment is based on the definition of a full-time student. A full-time undergraduate student enrolls in 15 credit hours per semester, and a graduate or professional student enrolls in 12 credit hours per semester. Therefore, the semester FTE equals the number of semester credit hours taken by undergraduates divided by 15 plus the number of semester credit hours taken by graduates divided by 12.

FINDINGS:

- The headcount enrollment at Oklahoma public colleges and universities increased to a record enrollment of 187,676 in fall 2009, compared to 177,385 in fall 2008. The research universities increased 1.1 percent from 53,316 to 53,894. The regional universities increased 5.0 percent from 54,570 to 57,322. The community colleges increased 10.0 percent from 69,499 to 76,460 (Table 1).
- The headcount enrollment at private institutions increased 3.0 percent from 21,288 in fall 2008 to 21,924 in fall 2009 (Table 1).
- The semester FTE enrollment at public institutions increased 6.0 percent from 129,732 in fall 2008 to 137,488 in fall 2009 (Table 2).
- The semester FTE enrollment at private institutions increased 2.7 percent from 19,038 to 19,559 (Table 2).

- The number of first-time freshmen increased 12.3 percent from 29,829 in fall 2008 to 33,508 at Oklahoma public institutions. The research universities increased 0.5 percent from 6,876 to 6,908. The regional universities increased 9.1 percent from 8,271 to 9,021. The community colleges increased 19.7 percent from 14,682 to 17,579 (Table 3).
- The number of first-time freshmen increased 6.4 percent from 3,330 to 3,542 at the private institutions (Table 3).
- Concurrent headcount enrollment at Oklahoma public colleges and universities increased for all tiers from 5,409 in fall 2008 to 5,763 (Table 4).
- The number of concurrent semester credit hours increased 4.3 percent from 28,842 in fall 2008 to 30,090. The average number of credit hours **per** student declined slightly from 5.3 to 5.2 (Table 4).

¹Semester FTE enrollment is calculated as follows: The total semester credit hours taken by undergraduate students is divided by 15; and the total taken by graduate and professional students is divided by 12. The sum of these two calculations is semester FTE enrollment.

²Minus (-) indicates a loss from the previous year. Totals include duplication because some students enroll at more than one institution.

³Excludes interns and residents.
