¹Note: # pursuing another degree plus # with full-time job may not equal to the # responding because some graduates were working part-time or were not employed/preferred not to seek employment at time of survey.

² AA Elementary Education may work part-time in Pre-K with an associate degree.

³Some respondents did not indicate major degree options.

Employment and Continuing Education:

All respondents at time of survey completion during final semester

(Note: Alumni Survey Provides Employment Data Within 6 Months of Graduation)

Outcome	Percent
Neither Pursuing Another Degree or Working Fulltime	5.5%
Pursuing Another Degree Only	41.6%
Pursuing Another Degree and Working Fulltime	43.3%
Working Fulltime Only	7.9%
Total	98.3%
System Missing (blank)	1.7%
Total	100%

Note: 92.8% of respondents reported they were pursuing another degree and/or working full-time. 84.3% of baccalaureate degree respondents reported they were pursuing another degree and/or working full-time. 96.4% of associate degree respondents reported they were pursuing another degree and/or working full-time.
