

ScienceDirect College Edition

Stratton Taylor Library has a new database of electronic journal titles from Elsevier, **ScienceDirect College Edition—Health & Life Sciences**. The URL is www.sciencedirect.com. It is also listed in the list of databases in the library's website.

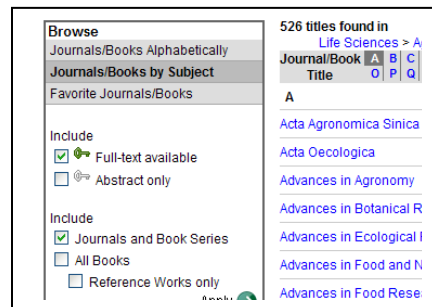

To use it, choose one of the ways below:

1.

Browse the subject areas of Health Sciences or Life Sciences from the areas on the left side.

Limit to include "Full-text Available" and "Journals and Books." The package does not include books. However, ScienceDirect College Edition provides access to more than 900 full-text journals.

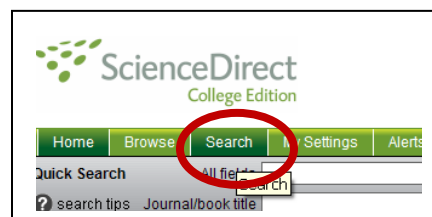

Titles that users have access to in our package will be marked with green keys.

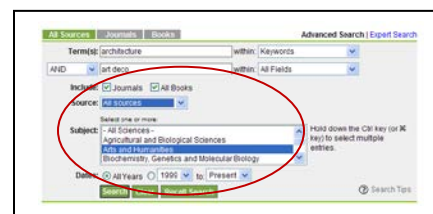

2.

Click on **Search** tab

Enter search terms and choices

3.

Use the **Quick Search** fields
