A. Summarize academic programs and services in the following areas:

1. Priorities/Programs. List the institution’s academic priorities for the 2013-2014 year and the planned activities that will be used to achieve these priorities. Please include, if appropriate, how these academic priorities relate to high priority academic programs and any new academic program requests to be submitted in the 2013-2014 year and the corresponding budget priorities/needs to be requested. Attach budget need documentation.

a. Priorities/Programs

1.1 Provide creative and innovative learning environments
- Continue diverse, innovative, and interactive speakers through the Herrington lecture, the Meyer Distinguished Endowed Lecture series and other formats
- Hold joint session of freshman, sophomore and junior Honors seminars at least once each month
- Offer study abroad opportunities in Italy, United Kingdom, Costa Rica, and other opportunities
- Expand capacity to offer specific courses to include concurrent enrollment
- Develop department computer/testing centers, such as in Mathematics and Physical Sciences Department, to allow for computer-based student research projects
- Make available to on-ground classes all E-campus online supplements for English and Humanities course work.

1.2 Strengthen curricular and co-curricular programs to enrich the overall student learning experience
- Recruit and advise students for the Honors minor, and offer at least two courses per year specifically to serve Honors minor
- Expand the geology program equipment to allow for course and degree expansion
- Develop three library skills tutorials using resources from the IMLS information grant
- Continue to engage students through on-campus social and enrichment opportunities, including RSU homecoming, Day of Caring, Talent Show, and student speakers
- Seek NCAA Division II membership

1.4 Provide effective faculty and staff development in support of intellectual, professional and personal development
- Fund 18 RSU faculty, staff and administrators to attend the Higher Learning Commission annual conference.
- Promote staff development with on-campus opportunities as well as regional, national, and international conferences as budgets allow.
- Submit syllabi and at least one graded assignment for department review and feedback in selected departments (e.g., English and Humanities)

1.5 Provide opportunities to achieve and maintain essential program accreditation
- Collaborate with Self-Study coordinators and committees to continue Self-Study preparation for 2014 Higher Learning Commission (HLC) site visit
- Collaborate with School of Business and Technology to initiate MBA program and create university processes, with first cohort scheduled for fall 2014
- Collaborate with Pryor Campus to prepare for HLC site visit for new Pryor campus
- Achieve continued Nursing accreditation through the Accreditation Commission for Education in Nursing, Inc. (ACEN)
- Review program and general education student learning outcomes, assessment measures, and performance standards for all disciplines
- Develop articulation agreement with other universities, specifically for master’s degree programs and select baccalaureate programs

2.1 Develop, implement, and advance a comprehensive enrollment management plan, including student recruitment, retention, and persistence toward graduation
- Increase social media efforts on targeted cohorts utilizing Facebook, Twitter and other social media venues
- Utilize RSU digital television to target high school to college viewing audience and rebrand as appropriate
- Market RSU educational pathways and programs, including bachelor’s degrees offered at branch campus locations and online degrees for Oklahoma residents
- Enhance tracking of prospects through the enrollment funnel
  - Provide more frequent, consistent, and targeted contact to prospective applicants
  - Provide academic departments with weekly updates on new prospects, including contact information and proposed major
  - Provide University programs, such as Honors, music, and athletics, with weekly updates on new prospects, including contact information and proposed major
- Advance Recruitment Efforts in Tulsa County Public Schools
- Advance Relationships with Area Community Colleges and Technology Centers
  - Including OSU-IT at Pryor campus and TCC 2 Plus 2 transfer

2.3 Involve all constituencies of the university in student recruitment and retention efforts
- Maintain early-intervention system for students currently on probation or at risk
- Strengthen Honors student advising in order to maximize four-year graduation rate
- Extend invitations to Northeast Oklahoma high school science and math clubs to join RSU’s Geoscience club.

3.1 Provide curricular and co-curricular experiences that increase student understanding of and appreciation for other cultures
- Offer studies-at-large for student enrichment opportunities
- Provide ropes course experiences for MGMT 3013 “Principles of Management” students using diversity model

3.2 Recruit, retain, advance and recognize a diverse faculty, staff and administration
- Initiate Staff Association organization for promotion and development of university staff
- Support Faculty Association and FA governance process to optimally govern the University

3.3 Promote an environment of tolerance and acceptance of diverse peoples and opinions
- Incorporate ethics content in Applied Technology course work.
- Introduce cultural information by conducting different cultural activities or articles each semester in student housing
- Evaluate University environment for balance and acceptance of diversity in people and opinions
- Partner with the Student Organization for Disability Awareness for awareness events and fundraisers

3.4 Increase enrollment of minority populations
- Nurture partnership with Cherokee Nation to enhance new Scholarship program
- Work with local and rural high schools with strong minority populations to arrange special recruitment days and to bring students on campus

4.1 Develop, implement and advance a comprehensive technology plan, including the use of sustainable technologies
- Implement RSU’s comprehensive technology plan, upgrading scheduled equipment such as additional Smartboards, server virtualization, additional storage, wireless internet in administration buildings, and paperless processing where feasible

4.2 Pursue optimal staffing throughout the university
- Continue to augment staff through EDA University Center Grant
- Replace strategic university positions as openings occur

4.4 Update the capital project master plan for all campuses
- Work with Capital Project Master Plan Committee to update and prioritize all capital projects for the University, using results of architectural consultation

5.1 Promote alignment of strategic decisions with mission-critical resources
- Coordinate budget hearing meetings with strategic planning process to align available funds with strategic decisions and initiatives

5.2 Evaluate continuously university processes, structures, activities and outcomes; modifying as appropriate
- Continue to evaluate student learning outcomes, review results, and use results to improve programs and student learning
- Continue to conduct student and graduate satisfaction surveys, including NSSE in Spring 2014, alumni surveys, employer surveys, course/faculty instruction surveys, evaluation of administrators and organizational processes by staff and faculty, and other assessments for continuous improvement
- Complete the implementation of the LibQUAL+ survey to assess and improve library functions and offerings
- All units will submit annual strategic plans and reports that provide evidence of thoughtful planning and growth

5.3 Enhance and expand the operations of the Office of Accountability and Academics
- Provide professional development opportunities for all staff in Accountability and Academics

5.4 Advance the principles and practices of shared governance through active participation of all constituencies
- Initiate Staff Association organization for promotion and development of university staff
- Support Faculty Association and FA governance process to optimally govern the University

6.2 Establish curricular and co-curricular opportunities for students to cultivate civic skills and strengthen social responsibility
- Encourage the addition of service-learning components in coursework, particularly junior and senior level coursework
- Develop student community volunteer center, coordinate student volunteers and community organizations at branch campuses
• Facilitate and sponsor opportunities for student engagement in community/service
  learning opportunities throughout Northeast Oklahoma through the Talent Search
  program

6.3 Develop evolving incentives and recognition for faculty and staff to pursue community
  engagement as a meaningful and productive aspect of their profession
  • Continue faculty excellence awards in teaching, scholarship and research, including
    community service
  • Initiate RSU Staff Association, recognizing staff excellence and promoting community
    engagement
  • Continue supporting area United Way giving and Day of Caring

6.5 Increase opportunities for area residents to participate in educational, cultural and recreational
  activities
  • Offer free half-day computer essentials class for community through RSU Business

  • Collaborate with Google and Tulsa Air & Space Museum to host the AeroGames on the
    RSU campus. Promote STEM programs for middle school and high school students while
    increasing RSU visibility and promoting community partnership

2. Technology (uses in the classroom, faculty and curriculum development, student support services,
  and distance education offerings, etc., especially noting new, different, and innovative uses of technology)

   a. Current Status

   • 28% of all textbooks purchased in the last academic year included eBooks.
   • Consistent protocols developed by Distance Education Committee for all online courses.
   • New Early Alert System launched in POISE, and faculty trained in system use.
   • More than 30% of all RSU courses are available through online delivery using Angel
     Learning Management System.
   • First Massive Open Online Course (MOOC) offered by RSU faculty member.

   b. Future Plans

   RSU needs are determined through an annual strategic planning process that begins at the
   department level, involving faculty and staff. Technology needs to be met in the coming year
   include:

   • Purchase eBook versions of textbooks whenever multiple versions of items are available.
   • Develop enhanced training for all faculty teaching online courses.
   • Install Smartboards in three additional classrooms.
   • Replace 10 faculty computers, 100 student lab computers, and install graphics lab.
   • Replace compressed video equipment on all campuses.
   • Implement Dynamic Forms and Commerce Manager to allow collection of Admissions
     application fee for online applications.
3. Academic Efficiencies

**Academic Efficiencies** - faculty sharing, partnership collaboration, course redesign, program downsizing or deletion, etc., that have direct impact on budget, cost savings, efficiencies, the academic enterprise and describe how those decisions were made.

c. **Current Status**

- Collaboration with University of Oklahoma Student Health Clinic to share labs in providing affordable and convenient healthcare services
- Financial partnership with Jane Phillips Hospital for full-time Nursing Program at RSU-Bartlesville
- Continued partnership between RSU’s Innovation Center and Cherokee Nation, the Northeast Oklahoma Regional Summit, Northeastern Oklahoma State, and Northeast Oklahoma A&M in stewardship efforts
- 2 Plus 2 joint venture with Cameron University to offer Bachelor of Science in Elementary Education degree
- The Office of Accountability and Academics collaborates with University Assessment Committee faculty leadership to share travel budget funds for research presentations at national assessment and research institutes and organizations.
- Faculty professional development opportunities offered at fall 2013 Convocation using internal resources, bringing in RSU faculty experts and acquiring University donor funds.
- Continue to promote course redesign through the use of collaborative online resources for blended courses.

d. **Future Plans**

- Incorporate use of the OU supercomputer (OSCER) in general chemistry to study molecular structures and properties
- Develop a process to electronically distribute monthly expenditure and other financial reports to departments. This will eliminate green bar distribution and save paper.
- Server Room UPS will be replaced with a more efficient unit.
- Develop and maintain an online payment system (Dynamic Forms) for student and non-student activities.
- An analysis of on-ground, blended, and online courses is scheduled for the 2013-2014 academic year, collaborating with faculty teaching in all methods of course delivery and with the Distance Education Committee. Results will inform course redesign.

4. Learning Site Activity Report

Please respond to the following questions as a learning site:
a. Include the number of courses sent to and received from other institutions, including only electronic courses. Detail the productivity in those courses and programs, as well as the breakdown between upper division and lower division courses.

Not applicable.

b. Provide detailed information about how the learning site is ascertaining and meeting employer needs and student demands.

Not applicable.

c. Describe in detail planned changes in locations to send or receive courses and programs (i.e. branch campuses or off-campus locations, etc.).

Not applicable.

C. Provide the institution’s 2013, 2014, 2015 projections for fall headcount enrollment and annual FTE by undergraduate and graduate separately.

- Fall 2013: Undergraduate Headcount: 4,290
- Fall 2013: Graduate (if applicable) Headcount: 0
- 2013 Annual FTE: 3,116

- Fall 2014: Undergraduate Headcount: 4,376
- Fall 2014: Graduate (if applicable) Headcount: 25
- 2014 Annual FTE: 3,197

- Fall 2015: Undergraduate Headcount: 4,464
- Fall 2015: Graduate (if applicable) Headcount: 50
- 2015 Annual FTE: 3,280
