Unit Name: Administrative Services

Unit Mission
The mission of Administrative Services is to provide printing, mailing and archiving records that support the mission of Rogers State University. By incorporating digital technology, our goal is to enhance the University’s reputation and visibly, with publications and timely mailings. We are committed to support all departments, student organizations and alumni with professional and courteous services. With striving to continually improve the update our production processes, we are also striving to become environmental stewards. We are dedicated to recycling programs, waste reduction, hazardous chemicals disposal, and a safe working environment.

We will continually endeavor to have a work environment where 1) employees are empowered, involved, and valued; 2) employees will continue to gain knowledge in their field through education and training; and 3) employees’ continual growth is never ending and quality support to the University community will continue to improve.

Goal 4: Leverage Resources
This Unit Action Plan Specifically Supports Commitment 4.1 and 4.2
