

Course Sequence for BS in Social Science – PSY/SOC Emphasis

Below is a recommended course load to complete the BSSS in five semesters. This assumes all general Education requirements are met, taking 15 hours per semester, 9 hours in the summer, and an 18 hour minor (with perhaps some hours in the minor before this sequence). It is highly recommended that the research/statistics and quantitative reasoning courses be taken in the correct sequence as shown below:

- 1st semester: SBS 3013 RM I: Research Design
- 2nd semester: SBS 3063 Social & Behavioral Stats
- 3rd semester: SBS 3113 or SBS 3213 Qualitative or Quantitative Research Methods
- Last semester: SBS 4513 Capstone

Term	Course	Hrs
Fall 1st Semester	SBS 3013 RM I: Research Design	3
	PSY/SOC Option	3
	PSY/SOC Option	3
	PSY/SOC Option	3
	Social Science Elective or Minor	3
	<i>TOTAL</i>	15
Spring 1st Semester	SBS 3053 Social Systems & Problems	3
	SBS 3063 Social & Behavioral Stats	3
	PSY/SOC Option	3
	PSY/SOC Option	3
	Social Science Elective or Minor	3
	<i>TOTAL</i>	15
Summer 1st Semester	SBS 4033 Internship I	3
	Social Science Elective or Minor	3
	Minor	3
	<i>TOTAL</i>	9
Fall 2nd Semester	SBS 3113 or SBS 3213 Qualitative or Quantitative Research Methods	3
	SBS 4043 Internship II	3
	PSY/SOC Option	3
	PSY/SOC Option	3
	Minor	3
	<i>TOTAL</i>	15
Spring 2nd Semester	SBS 4513 Capstone	3
	PSY/SOC Option	3
	Minor	3
	Minor	3
	Minor	3
	<i>TOTAL</i>	15

This is only an example, but the sequence and mix (core courses, emphasis, and minor) is sound. Extenuating circumstances may dictate more hours per semester, no summer classes, and/or more semesters to complete requirements.
