

Rogers State University Health Sciences Department Checklist for Clinical/Field Experiences

Print Student Name: _____

Due Dates:

Traditional BSN: July 24, 2019

RN to BSN: Prior to starting Field Experiences

Document Distribution, Checklist & Clinical/Field Experience Packet

***If you are having immunizations done at the Student Health Center (SHC) you do not need to provide a copy of those to the Health Sciences Offices. If you have outside immunization records you can provide these with the rest of the packet to the Health Sciences Office and do not have to provide an additional copy to the Student Health Center (SHC). However, there are four documents that must be turned in to the Health Sciences Office.**

Student Health Center (SHC)

- SHC Registration Packet
- OU Physicians Release Authorization
- Copies of TB test and all required immunizations:
 - TB test documentation
 - 3 Hep-B or a positive titer
 - 2 MMR or a positive titer for each: Measles, Mumps, and Rubella
(Bartlesville - Jane Phillips Medical Center requires that female students of childbearing age must also provide a positive Rubella titer in addition to MMR vaccinations.)
 - T-dap
 - Varicella (history of disease, or 2 immunizations, or a titer)
 - Influenza (required September – March)

Health Sciences

These four documents must ALL be turned in at the same time.

- Copy of Immunization Statement & Waiver (You are signing that you understand statements 1-6. Check the first waiver box IF you have had Chicken Pox. Check the second waiver box IF your Hep B series is in progress.)
- Copy of Front & Back of CPR Card (BLS card ONLY from American Heart Assoc. Must be current through May 2021.)
- Copy of RSU Student ID Card
- Copy of this Checklist
- Email Address for a one-time electronic copy of complete packet: _____

AFTER **all** four documents above have been submitted to Health Sciences, your immunizations have been submitted, and your background check is complete, you will be emailed a one-time electronic copy of your clinical packet. Your packet will also include the following. **Note:** You need to print these documents and add them to your packet for attending clinical labs.

- Copy of RSU Student Immunization Record w/TB and Flu shot (you will receive a new copy of immunization record after flu shot is added)
- Copy of Background report

Clinical Lab Packet

- Copy of Immunization Statement & Waiver
- Copy of RSU Student Immunization Record (updated copy after flu shot has been added)
- Copy of front & back of CPR card (BLS card only from AHA)
- Copy of RSU student ID card
- Copy of Background report
- Copy of drug test results (received from SHC - put original in a safe place and a copy in your packet)
