Welcome to Rogers State University!

Welcome Video, featuring RSU President Larry Rice

Mission Statement
Our Mission at Rogers State University is to ensure students develop the skills and knowledge required to achieve professional and personal goals in dynamic local and global communities.

Vision
Rogers State University will be the regional university of choice for northeastern Oklahoma and beyond while achieving recognition as a model for excellence in on-ground and online academic programs at the undergraduate and graduate levels.

As a regional university of choice, RSU cultivates a vibrant campus culture while delivering substantive, relevant degree programs that align with area workforce needs. Through curricular and co-curricular offerings, RSU promotes and embraces cultural diversity and global awareness.

Online Education - Quality Matters!

- Quality Matters is a faculty-centered, peer-reviewed process based on a set of rubric standards defined by best practices and research models.

- Recognized internationally, this program promotes sound design principles that enhance the quality of online/blended courses.

- RSU offers multiple degree programs completely online
The RSU First-Year & Transfer Experience is designed to help new students transition to the university and develop the foundation of skills and knowledge required to successfully complete their first-year of college.

The purpose of the First-Year & Transfer Experience is to synchronize student support services, programs, and academic enrichment opportunities to engage students with the University and ensure they are supported in pursuing their academic and personal goals.

- Tracy Emmons, Director of First-Year & Transfer Experience
New Student Orientation is designed to welcome new students to Rogers State University and provide them with relevant and timely information to successfully begin their first year in college.

**Program Overview**

Unit One: Welcome and Introduction
Unit Two: Advisement & Enrollment
Unit Three: Paying for College
Unit Four: Student Support
Unit Five: Engagement
The University Experience (UNIV 1152)

The University Experience course introduces students to university resources and expectations, skills necessary for student success including studying skills, effective communication, and initial steps in career planning. This course emphasizes the importance of planning, proactive learning, building community, and fostering an understanding of self.

Learning Outcomes

- Identify university resources, support systems, and opportunities for campus involvement
- Evaluate personal and social strategies to effectively communicate and work in diverse environments and populations
- Identify issues affective motivation and create strategies to build resilience
- Create long and short-term plans to balance school, financial obligations, and other life responsibilities
- Explore college majors and relate selected majors to career planning and success
- Create study strategies and behavior patterns to successfully complete college assignments and exams
Unit One Review
