## How to share your results with an institution from your account

1. Visit [englishtest.duolingo.com](https://englishtest.duolingo.com), and login to your Duolingo account.
2. Go to the result you want to send under "Tests Taken", and click "Send to an institution" in the "Share" menu

The screenshot shows a Duolingo English Test result card. On the left is a gold shield icon with '84%' inside, surrounded by green leaves. To the right of the icon, the text reads: 'Your Level: Proficient in English', '2017-10-20', and 'Can understand a variety of demanding texts and conversa'. In the top right corner of the card is a 'SHARE' button with a downward arrow. A dropdown menu is open below the 'SHARE' button, listing five options: 'Send to an institution' (highlighted in light grey), 'Facebook', 'Twitter', 'Google+', and 'Upwork'.

3. Type the name of the institution or select it from the dropdown in the section on the right

4. Click "Share Certificate"
