

### Unusual Enrollment History Form

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review by the Department of Education, due to your unusual enrollment history in college. Federal regulations require us to ask you for additional information before determining your eligibility for federal student aid. Along with this form, we must review academic transcript(s) or grade report(s) showing dates attended and credits earned for all institutions you have attended. If your transcripts for the terms and aid years described below are retained with the Admissions Office, the Office of Financial Aid will not need for you to submit additional copies.

**-- ! Please provide any transcripts that you have not already turned in to the Admissions Office ! --**  
**You are required to provide this information in order to receive federal aid for the 2021-2022 academic year.**
