Institutional Fact Book

Rogers State University

The information contained in the *Institutional Fact Book* is collected from several institutional offices. The enrollment and faculty data are based on the preliminary data stored after the last day to drop courses with no grade record, which is traditionally the end of the second week of classes. The tuition information is provided by the Office of the Bursar and the fiscal data is provided by the Budgeting and Accounting Department.

Please note that, to the extent possible, the data presented on the following pages represent snapshots taken at the same time of the academic year. In some instances, however, variations in reporting cycles have limited our ability to do so. For this reason, the reader who attempts to cross-reference certain data tables may find discrepancies which may not be due to inaccuracies in the data.

Additional copies may be printed or downloaded from the RSU Accountability and Academics website (<http://www.rsu.edu/about/accountability-academics/>).

2020 Hillcat Headlines

MBA@RSU Receives Quality Matters Certification for Course Design. Rogers State University's Strategic Global Marketing course received the nationally recognized Quality Matters Certification for meeting course design standards in an official QM peer review. The course is part of the Master in Business Administration curriculum developed by Dr. Dana Moore Gray. Quality Matters has developed a widely respected and nationally recognized faculty-centered peer review process that certifies the quality of online courses. The QM certification represents RSU's ongoing commitment to creating learning environments that provide students with a clear pathway to success. The Strategic Global Marketing course is RSU's third course to receive the QM designation and the first in the MBA curriculum.

Rogers State University's Online RN2BSN Program Ranked Third in State. Rogers State University's online Registered Nurse to Bachelor of Science in Nursing program has been ranked among the top three programs in Oklahoma. The designation comes from Registerednursing.org, an online industry publication that reviews programs across the nation. The RN2BSN program originated in 2007 with traditional onground instruction. In the fall of 2019, the online section launched with 76 students in attendance. The transition to an online delivery has nearly doubled enrollment for the 2020 summer and fall semesters.

Hillcat Student Athletes Honored for Academics. Hillcat Athletics set a new record for academic performance. All 12 athletic programs averaged a minimum of a 3.3 grade-point average for the spring semester with eight programs attaining a 3.5 GPA or higher. The top five programs include men's golf, women's basketball, dance, men's cross-country and track and women's soccer. Overall 93% of student athletes finished with a 3.0 GPA or higher with 61 student athletes earning a 4.0 for the semester. A total of 48 degrees were earned after the completion of the semester.

Record Number of RSU Students Headed to Medical School. Rogers State University has four pending spring graduates from the Medical Molecular Biology degree program who have gained acceptance to the OSU College of Medicine in Tulsa for Fall 2020. Dean of the School of Arts and Sciences Dr. Keith Martin expects that number to grow as acceptance letters from other schools are issued.

Students Succeed Due to Kindness of Heroes. In response to student need, the Rogers State University Foundation has established the Hillcat Heroes fund. The fund has covered unplanned educational expenses for all nursing students by providing online exam proctoring services. In addition to supporting online proctoring needs for nursing students, the Hillcat Heroes Fund has provided technology grants to more than 40 students who needed assistance transitioning to remote delivery of classes. Students who have lost employment and needed assistance with tuition and fees, housing and other needs have also been awarded grants.

RSU Public TV Provides @Home Learning Partnership with Public Schools. RSU Public TV is airing courses taught by teachers from Tulsa Public Schools and Sequoyah Public Schools four days a week. The programming is designed to bring courses to students who otherwise wouldn't be able to access teaching via the internet. A recent State Department of Education survey found that almost 70,000 students in northeast Oklahoma would need mobile hotspots to access the web at home — the highest need in the state. RSU TV General Manager Royal Aills says that's why the partnership with districts was

a natural fit. "This is exactly what we're supposed to do as public broadcasters. We are helping to educate our kids on a grassroots level."

RSU Adds Three Degree Options in the School of Professional Studies. The Oklahoma State Regents for Higher Education approved three new degree options for Rogers State University during their April meeting. The Unmanned Aircraft Systems degree option comes alongside the annual AeroGames Competition. These degree options join established extracurricular programs and include a bachelor's degree option in Esports and a bachelor's and associates degree option in Unmanned Aircraft Systems. Esports and Unmanned Aircraft Systems are among the nation's fastest growing industries. The coursework in these degree programs provide pathways for students to enter the workforce or pursue graduate studies.

Partnership with Utica Park Clinic Provides RSU Student Health Center with Telemedicine. Rogers State University has executed a new management partnership with Utica Park Clinic to expand the offerings of the Student Health Center. The transition follows the recent retirement of longtime RSU Director of Student Health Center Lisa Martin. Martin oversaw the opening of the Student Health Center in 2004 and its transition to a partnership with the University of Oklahoma Physicians Clinic-Tulsa in 2013.

RSU's Division for Student Affairs to Offer Online New Student Orientation. Rogers State University's Division for Student Affairs announced the development and deployment of an all online, on demand New Student Orientation for the upcoming academic year. New Student Orientation is designed to welcome new students to RSU and provide them with relevant and timely information for the success of their first-year college experience. New Student Orientation is crafted as a piece of the First-Year Experience to strategically deliver information students need to maximize their time as a Hillcat while meeting their educational objectives.

TRiO's Student Support Services Returns to Campus. Rogers State University was awarded a five-year, federally funded grant by the United States Department of Education to support and serve first-generation, financially disadvantaged students. The Student Support Services grant will increase retention and graduation rates by providing supporting services to meet individual student needs throughout their college career. The grant expects to serve more than 140 students annually. The supportive education program provides academic advising, counseling, financial and economic literacy, tutoring and coaching for students whose parents did not earn a four-year degree.

RSU Partners with MidAmerica and Arrowhead Consulting to Provide Professional Development. Rogers State University is partnering with MidAmerica Industrial Park to provide a series of training and certifications to meet the needs of industries in Northeastern Oklahoma. The training will be facilitated by Arrowhead consulting on the RSU Pryor campus. The educational series Journey to Success provides Mayes County residents and industry workers the educational opportunity to participate in professional development.

RSU Foundation Begins Effort to Improve Nursing Classroom Facilities. The Rogers State University nursing program has experienced significant growth with the transition to a bachelor's degree program. Sixty-four seniors will graduate in spring 2021, and 80 juniors were admitted from a pool of more than 180 applicants eager to join the innovative and rigorous RSU nursing program. The need prompted the RSU Foundation to raise \$135,000 to renovate the lecture hall located in Room 135 of the

Health Sciences Building. The renovation would include new in-floor electrical wiring, replacement floor coverings, movable classroom tables with electrical and USB data ports, and new chairs.

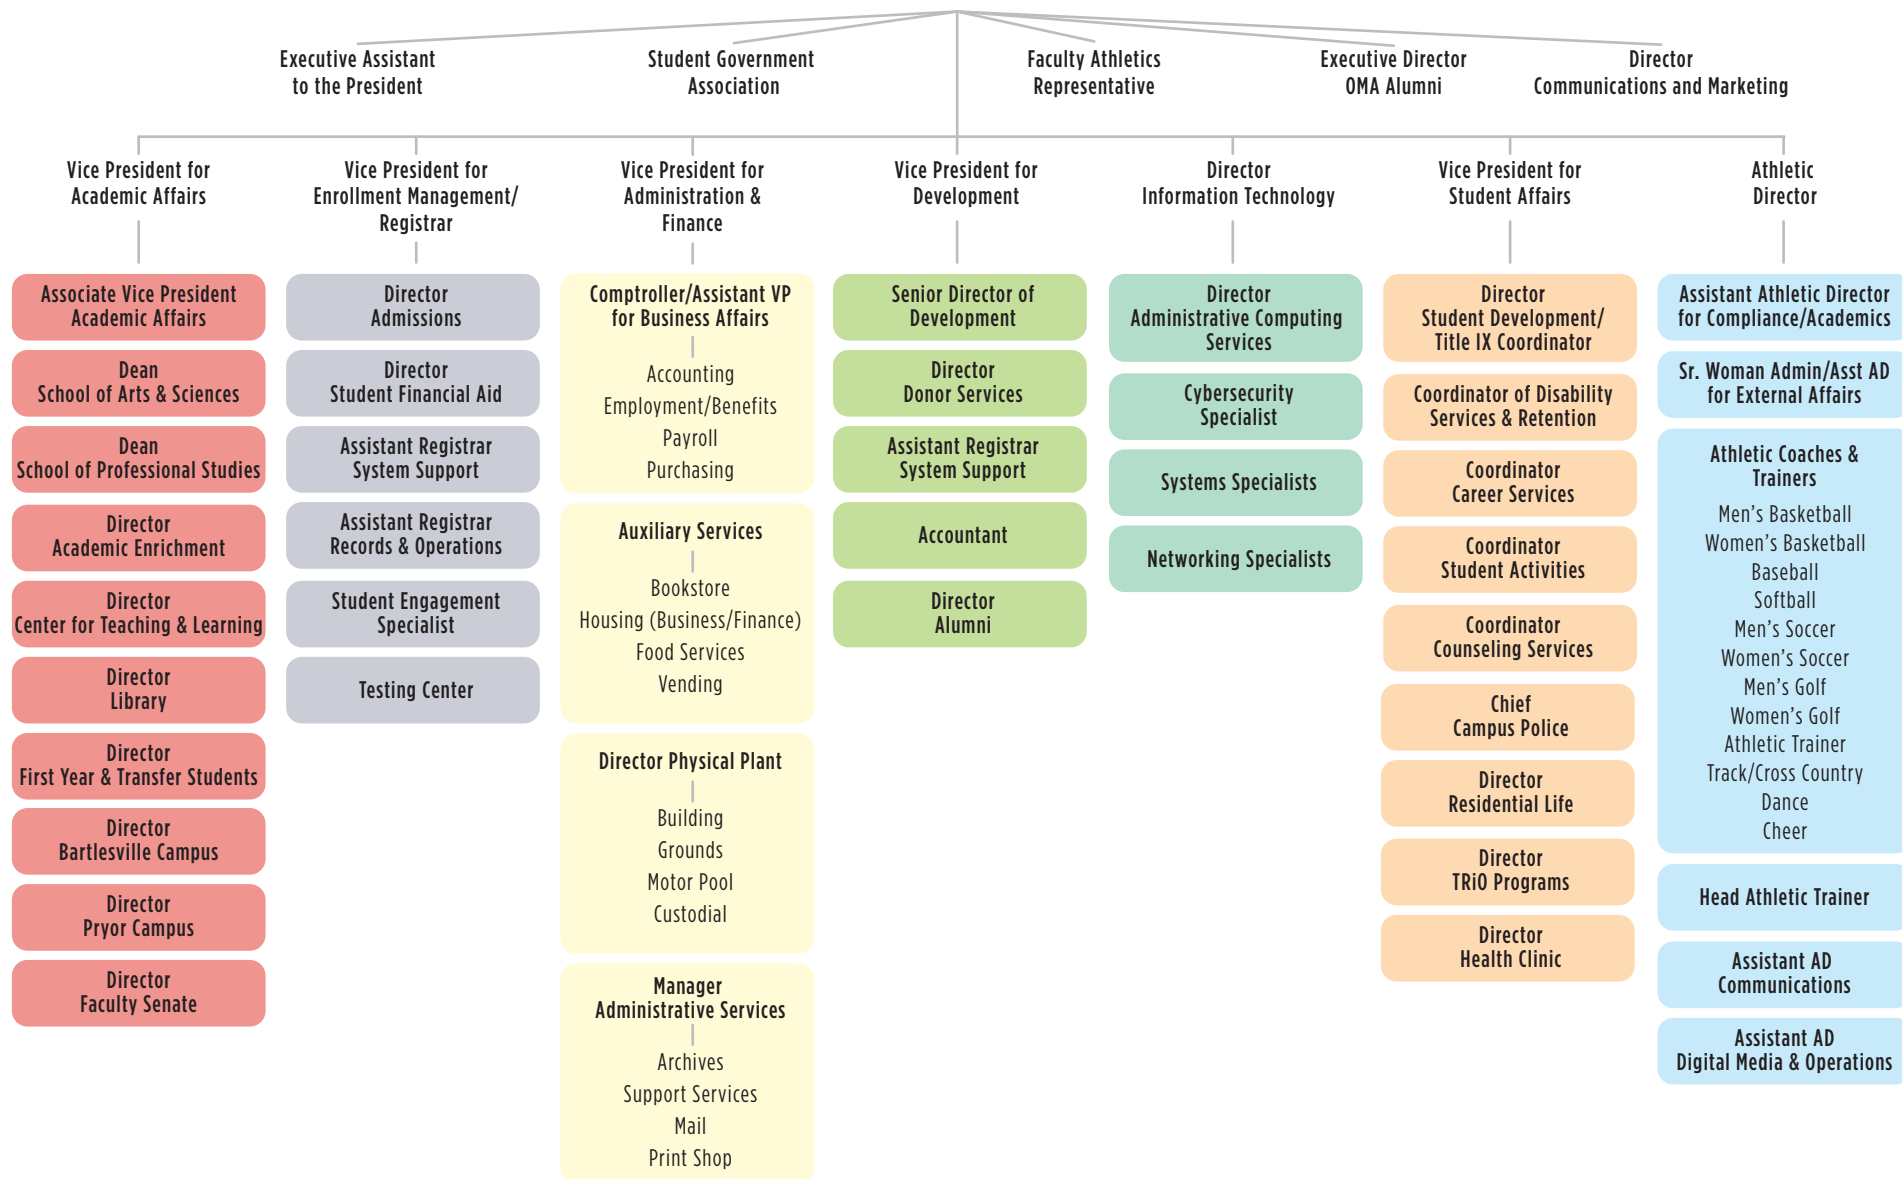

Partners in Education; RSU Welcomes Back Students to Claremont Elementary. Students dressed in their first day best as a new school year began at Claremont Elementary School on Thursday. Rogers State University athletes, volunteers, and staff chalked the sidewalks with words of affirmation to bring excitement and encouragement for a bright year ahead. In 2010, RSU announced its adoption of Claremont Elementary School. The partnership, known as the Hillcub Program, provides tutoring, supply drives and educational and social programs for Claremont students. Through the program, the university will attempt to raise the test scores and increase the number of Claremont students who graduate from high school and enroll in college.
