RSU CELEBRATES STUDENTS OF ALL CULTURES

The Student Government Association in collaboration with the Office of Student Affairs honored the international student population at Rogers State University during a February 2 ceremony. The inaugural ceremony celebrated 50 students across 27 countries. The flags of each country are displayed in the rotunda of the Dr. Carolyn Taylor Center on the Claremore campus of RSU.

RSU ALLIED HEALTH SCIENCES SENIOR IS FIRST TO ACCEPT GRADUATE SCHOOL OFFER

Rogers State University senior Sydney Murray is the first graduate of the Allied Health Sciences program to be accepted into Missouri State University's Master of Athletic Training. Murray, a member of the RSU Women's Golf program, is a native of Derby, Kansas in the Wichita area. The Allied Health program has more than 100 students enrolled in its first year. Murray joins more than 150 RSU graduates who have advanced to medically related graduate or professional schools. Her acceptance once again demonstrates the effectiveness of RSU's undergraduate science programs.

RSU ANNUAL WEEK OF SERVICE

In celebration of Martin Luther King Jr. Day and Black History Month, the Rogers State University Office of Student Affairs hosted a week of service. This annual event connected students with the Claremore community through service projects.

RSU VP OF ENROLLMENT MANAGEMENT ACCEPTS POSITION AT BETHEL COLLEGE

After serving more than five years as Vice President of Enrollment Management at Rogers State University, Dr. Heidi Hoskinson resigned her position to join the executive leadership team at Bethel College in North Newton, Kansas. Her responsibilities have been reassigned to the Vice President of Academic Affairs, Vice President of Student Affairs and Vice President of Finance and Administration. The distribution of responsibilities will allow administrators to determine how to best meet the needs of the institution moving forward.

RSU HOSTS COVID-19 VACCINE CLINIC

In partnership with local and state officials, Rogers State University administered a limited supply of the COVID-19 vaccine to students, faculty and staff. Trained nursing students within the Department of Health Sciences under the supervision of faculty administered the vaccine to 500 individuals. The vaccine clinic was made possible through partnerships with the State of Oklahoma Health Department, Rogers County Health Department and Utica Park Clinic.
