Institutional Fact Book

Rogers State University

The information contained in the *Institutional Fact Book* is collected from several institutional offices. The enrollment and faculty data are based on the preliminary data stored after the last day to drop courses with no grade record, which is traditionally the end of the second week of classes. The tuition information is provided by the Office of the Bursar and the fiscal data is provided by the Budgeting and Accounting Department.

Please note that, to the extent possible, the data presented on the following pages represent snapshots taken at the same time of the academic year. In some instances, however, variations in reporting cycles have limited our ability to do so. For this reason, the reader who attempts to cross-reference certain data tables may find discrepancies which may not be due to inaccuracies in the data.

Additional copies may be printed or downloaded from the RSU Accountability and Academics website (<http://www.rsu.edu/about/accountability-academics/>).

Upper-level classes of RSU degree programs in Business Administration and Public Affairs will now be offered at the OU-Tulsa Schusterman Center. The offerings follow an agreement filed jointly by RSU President Dr. Larry Rice and OU-Tulsa President Dr. John Schumann with the Oklahoma State Regents for Higher Education. The agreement marks the first time in history that RSU classes will be available in Tulsa.

Beginning their junior year, students at Pryor High School will be able to join an accelerated pathway toward earning a college degree through this new partnership. Students will earn high school and college credit at the same time potentially earning up to an entire year of college course work before high school graduation.

RSU Adds Five Options in the Master of Business Administration. The Oklahoma State Regents for Higher Education approved five new degree options for Rogers State University's Master of Business Administration during their May meeting.
