

Guaranteed Tuition Program

The State of Oklahoma has adopted a Guaranteed Tuition Program, effective in 2008-2009. Now, first-time RSU students can lock in tuition rates for the duration of their undergraduate education, but not longer than four consecutive academic years.

Important points to consider:

- Students must sign up when they enroll. *This is the student's responsibility.* Once a student has enrolled without registering for the guaranteed program, they are no longer eligible.
- Students must be first-time RSU students, including freshmen and transfer students.
- Students must maintain full-time status. Full-time status at RSU is 12 hours each semester.
- The Guaranteed Tuition Program is for tuition only. The state's public colleges and universities also charge fees, which are not covered by this program.
- Guaranteed tuition rates can be higher - as much as 115 percent - than the non-guaranteed tuition rate.
- Block tuition rates are not included in this program.

Four-Year History of RSU Tuition Rates:

Year	Tuition Only	Percent increase from previous year (Tuition only)
2021-22	\$157.00	3.3%
2022-23	\$162.00	3.2%
2023-24	\$167.00	3.1%
2024-25	\$172.00	3.0%
2025-26	\$172.00	0.0%

Guaranteed and Non-Guaranteed tuition rates for the 2025-2026 Academic Year are subject to change at the discretion of the Oklahoma State Regents for Higher Education

Currently, it is anticipated that the guaranteed tuition rate for the 2025-2026 Academic Year will be \$197.00 per credit hour.
